PETITION TO REVIVE UNDER 37 C.F.R. § 1.137(b)

MS Petition  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Dear Sir:

Deltagen, Inc. hereby petitions to revive the above-referenced application pursuant to 37 C.F.R. § 1.137(b). The application was abandoned due to the unintentional failure to timely respond to the Non-Final Office Action mailed October 14, 2004. The Applicant has not yet received a Notice of Abandonment.

The entire delay in filing the required reply in the above referenced application was unintentional. The final response date for the reply was April 14, 2005. On April 1, 2005, the Attorney of Record left the law firm of Merchant & Gould to join Greenberg Traurig. Both the docketing system's electronic records and the relevant files were delayed in transfer to the new firm. As a result, the above referenced file was not uncovered until after the six month date of April 14, 2005 had elapsed.

In a phone conversation with the Examiner, Dr. Joanne Hama, on April 26, 2005, it was suggested that the Applicant file a Petition to Revive stating the reason for the unintentional abandonment. An R-976 Continuation-in-part application is filed concurrently with this petition in lieu of an Amendment to the Non-Final Office Action as required by 37 C.F.R. § 1.137(c).

Although only \$750.00 is believed to be required for this petition, please charge any fee deficiency or credit any overpayment to Deposit Account No. 502775.

The undersigned believes that the requirements for making application under 37 C.F.R. § 1.137(b) have been met.

Respectfully submitted,
